SAN ANTONIO, July 9, 2013 /PRNewswire-USNewswire/ -- InGenesis is the second-fastest growing U.S. staffing firm, according to Staffing Industry Analysts. The privately held firm's innovative web-based workforce systems, high caliber recruiting and commitment to customer service led it to average 116.1 percent compounded annual growth from 2008-2012 and more than 2,000 percent non-compounded growth over the same period.

InGenesis specializes in professional, scientific and technical staffing. The firm provides more than 1,600 employees at nearly 200 sites and projects consolidated revenues of approximately \$150 million for 2013.

Veronica Edwards, the founder and CEO of InGenesis, sees this recognition as validation that "InGenesis is gaining market share from the industry leaders because of our cost-effective services, workforce analytics and personalized approach to each and every client. Diversification beyond healthcare staffing, global expansion and expertise in large multi-site implementation is enabling InGenesis to emerge as one of the top global human resources (HR) firms."

Ms. Edwards was honored as a Top 50 Hispanic Influential by *HispanicBusiness* magazine in 2012 and was named the 2011 national Hispanic businesswoman of the year by the U.S. Hispanic Chamber of Commerce. She is also a 2013 Ernst and Young Entrepreneur of the Year awardee.

Celebrating its fifteenth anniversary this year, InGenesis provides human resources, staffing and management consulting services and IT solutions to a wide range of clients in industries ranging from healthcare to energy, financial services, professional services and more.

The 2013 list from Staffing Industry Analysts includes staffing firms that posted at least \$1 million in revenue in 2008 and have compound annual revenue growth of at least 15 percent, excluding acquisitions. The top 10 companies on the list had a median compound annual growth rate of 73.8 percent from 2008 through 2012.

InGenesis, one of the fastest growing and most successful privately owned staffing firms in the nation, provides leading edge talent acquisition and workforce solutions. For more information, visit: www.ingenesis.org.
